

# **PARLIAMENTARIANS LEAD THE CHANGE**

*for Women and Children*

© UNICEF/HQ04-1220/Ami Vitale

***Achieving the Millennium Development Goals 4 & 5 for child and maternal health requires leadership of Parliamentarians to:***

**Represent** the voices of women and children

**Budget** for maternal, newborn and child health

**Legislate** to ensure universal access to essential care

**Advocate** nationally and internationally for the Millennium Development Goals

**Oversee** government accountability to implement policies

  
**Countdown to 2015**  
Maternal, Newborn & Child Survival
